Objective

Aim to be associated with a progressive organization which offers an excellent atmosphere to prove myself by utilizing all technical knowledge into practice and profit myself with experience. To obtain a challenging position in a field that permit the use of my skill and knowledge to secure a position as a valued member of the company and develop additional knowledge and abilities.

Experience

Computer Teacher | Kamadhenu BCA college Ankola,India|Sep 2023-Dec 2023

- Monitored student progress through frequent assessments of various computer tasks.
- Delivered engaging lectures on core computer science topics, including programming, data structures, algorithms, databases, and software engineering.
- Taught C Programming, Java, Software Engineering, and Database Management, providing students with a strong foundation in programming and software development.
- Conducted practical lab sessions, and guided students in hands-on coding and problem solving exercises.

Tele sales executive | CIEL HR Services India Pvt Ltd | Dec 2023 - Nov 2024

- I have 1 years of experience working as a Tele Sales Executive at CIEL HR Services.
- My job was to make calls to customers, explain our services, and convince them to take our offers.
- I handled both new and old customers, followed up regularly, and helped increase sales.
- I also kept records of calls and worked with my team to meet monthly targets.
- This job helped me improve my communication skills, confidence, and how to handle different types of customers.

Internship | CodTech Solution | web developer

- Throughout this program, I gained hands-on experience and deepened my understanding of:
- HTML, CSS, and JavaScript fundamentals
- Responsive web design
- Frontend development best practices
- Backend basics and database integration
- Project deployment and version control with Git & GitHub
